

Duty Group Information

At Camp Curumbene we require a duty group for every evening meal and breakfast (duty groups for lunch are only required on wet days where lunch cannot be eaten outside).

We will require one duty person for every 6 students/teachers. The duty group will need to be in to dining room (with clean hands) at the following times:

Breakfast: 7.30am
Dinner: 5.30pm

STUDENT ROLE:

On arrival for duty, children will be given the responsibility of looking after one table of their fellow students.

They will become the waiter for that table. With instruction and assistance of a Camp Curumbene staff member they will be responsible for the setting the table, clearing the dishes and various other tasks.

We make our waiters duty a fun and positive learning experience and from the feedback we get, children always want to come back and help again.

TEACHER ROLE:

Not very onerous at all!

Have a chat with the supervising Camp Curumbene staff member, and help assist the students with their task - in many cases help them learn new skills.
